Linfield Christian School

A Brief History

The legacy began when Dr. Mabel Culter, then Dean of Women at the Bible Institute of Los Angeles, saw a need for an elementary and secondary school that would integrate the best components of secular education with historic and biblical truths of the Christian faith. Eager to guide and challenge young people in all areas of their development: physical, intellectual, emotional, and spiritual, Dr. Culter began the school in 1936. Known as Culter Academy, the school began in a private home with five students. Rapid increases in enrollment necessitated several relocations of the campus within Los Angeles; in 1968, the academy moved to its present site and was renamed The Linfield School. In November of 2001, the Board of Trustees changed the name to Linfield Christian School.

Linfield is an independent, college preparatory school, which offers educational programs for young people in grades kindergarten through twelve. While Linfield seeks to prepare its students for college, its primary reason for being goes beyond the usual concept of a college preparatory school. Linfield endeavors to provide a total educational experience rooted firmly in biblical truths.

Vision

The Vision of Linfield Christian School is to be the standard of excellence in Christ-Centered, college preparatory education.

Mission and Purpose

Linfield Christian School is an independent college preparatory school that exists to challenge boys and girls and young men and women:

To know Jesus Christ as Lord

To love others as themselves

To grow in knowledge and skill in order that they may serve the Lord and the world through their character and leadership.

Expected School-Wide Learning Results

The Expected School-Wide Learning Results of Linfield Christian School reflect the Vision and Mission Statement and contain components which address spiritual, social, and academic learning and growth expectations, as well as expectations relating to students' continued service through character and leadership.

In a Christ-centered college preparatory environment, Linfield Christian School students will:

1. Articulate fundamentals of the Christian faith and apply biblical principles in daily life
2. Apply critical thinking, creative problem-solving, and proficiency in all academic disciplines
3. Display effective skills of communication and demonstrate creative expression
4. Model good character through personal discipline and respect for others
5. Contribute time, energy, and talent to positively impact our culture, community, and world

General School Philosophy

Believing that all truth is God's truth, Linfield Christian School strives to educate young people in an environment that integrates faith and learning, what we believe with what we know. The intellectual development of young people cannot be rightly pursued apart from their emotional and spiritual growth.

All of the programs of the school, curricular and co-curricular, are designed and implemented with the objective of shaping a Christian world and life view in the hearts and minds of young people. The teachers, by example and method, give evidence of a life that is centered in the person and work of Jesus Christ. The teachers view their role as a challenging profession, reserved for those who love children, exhibit mastery of their subject, and sense their calling to serve the Lord through the awakening of young minds.

We believe that young people need to be guided and challenged in every area of their development: physical, intellectual, social, emotional, and spiritual. In their formative years, children need to develop a deep sensitivity to basic human values: honesty, consideration of others' rights and feelings, discipline, and respect for the uniqueness of each person. They need to grow in their understanding of their relationship to other people and in their relationship to God.

The curriculum at Linfield Christian School is designed primarily within the guidelines of college preparation. The course of study is centered in the truth as revealed in the Bible, and it includes rigorous study and mastery in the traditional academic disciplines as well as formal instruction in Bible, physical education, and the fine arts. The school offers a full range of programs designed to promote a genuine integration of new found knowledge with the contemporary experiences of young people.

Articles of Faith

ARTICLE I THE SCRIPTURES

We believe the Bible, composed of the Old and the New Testaments, is the Word of God, a divine, supernatural revelation. We believe in the plenary, verbal inspiration of the original writings of the Scriptures, and that as thus given they were wholly without error of any kind.

ARTICLE II THE GODHEAD

We believe in one Triune God, Father, Son, and Holy Spirit (I Pet. 1:2, Matt. 28:19). We believe that they are co-equal in power and glory, identical in their essential nature, attributes, and perfections, and that they are co-eternal (Gen. 1:2, John 17:5). In His essential nature, God is spirit as opposed to material (John 4:24); as to His essential attribute, God is absolutely holy, embracing the sum of all moral perfections (I Pet. 1:16); as to His essential character, God is love (I John 4:16, John 3:16).

ARTICLE III THE NATURE, PERSON, AND WORK OF CHRIST

We believe that Jesus Christ, "being the eternal Son of God, became man," (Heb. 2:16, John 1:14, Luke 1:35), and that he "continueth to be the God-Man, in two distinct natures, and one person, FOREVER" (John 1:14, Rom. 9:5, Col. 2:9, Heb. 13:8).

We believe that He died upon the cross a vicarious, substitutionary death, thereby making atonement for the sin of the world (John 1:39). We believe that He is the ONLY REDEEMER (Acts 4:12), and that His atonement is SUFFICIENT for the sins of all the world (Heb. 7:25, I John 2:2), and EFFICIENT for all who believe (John 3:16, John 3:36, Isa. 45:22).

We believe that He bodily arose from the dead, that He ascended into heaven; that there in His state of glorification He is now the interceding High Priest, Intercessor, and Advocate for all believers (I Cor. 15:20, Luke 24, Acts 1:3, Heb. 7:25, 4:15, 2:17; I John 2:1).

We believe that as in His first advent He became incarnate and dwelt on earth personally, bodily, visibly, in an earthly tabernacle of flesh, the body of His humiliation; even so in His second advent He will return personally, bodily, visibly, but in the body of His glorification to set up His kingdom and to judge the world in righteousness (Acts 1:9, 11, I Thess. 4:13-18, Matt. 25-31-46, Rev. 20:4-6, 11-15).

ARTICLE IV MAN, THE FALL, AND SALVATION

We believe that man, created in the image of God, fell into sin through the sin of the first Adam and in that sense is lost and separated from God. In order to secure salvation and restoration, man must be born again. Salvation is by grace through Christ "who His own self bore our sins in His own body on the tree," (I Pet. 2:24). We believe that Heaven is a place of eternal blessedness, and that Hell is a place of eternal suffering (II Cor. 5:1-10, Rev. 20:1-15, Rev. 21:22). The punishment of the wicked, and unbelieving, and the reward of the righteous are everlasting, and as the reward is conscious, so is the punishment (Gen. 1:26-28, Rom., 3:10-23, John 3:15, Acts 13:38-39, Acts 4:12, Matt. 25-46, II Cor. 5-1-10, 11 Thess.1:7-10).

ARTICLE V THE HOLY SPIRIT

We believe that the Holy Spirit is the third Person of the Godhead, and unites all believers to Christ, indwells, seals, infills, guides, and teaches them. The Holy Spirit convicts and reproves the world of sin and of righteousness, and of judgment. (John 16:8, Rom. 8-9, I Cor. 12:12-14, Eph. 1:13-14, 5:18-20, John 16:8-11, 14:26).

ARTICLE VI THE CHURCH

We believe that the Church is the body of Christ, a spiritual organism composed of all born again persons in this present age. The mission of the church is to witness concerning the Head, Jesus Christ, and to preach the gospel among all nations. The church will be caught up to meet the Lord in the air prior to His appearing to set up His kingdom (Eph. 1:3-6, 22-23, I Cor. 12:12-14, Matt. 28:19-20, I Thess. 4:16-18).

Section I

General School Policies

Admissions

Selection of students for admission to Linfield Christian School is based on evidence of character, ability, future promise, and academic preparation. Linfield seeks students who can perform at the level of average to superior in college preparatory course work.

Linfield admits male and female students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of sex, race, color, national or ethnic origin in the administration of its educational policies or other school-administered programs.

Attendance

Success in school depends in large part on regular attendance and consistent participation in all activities. Occasional absences are understandable. Excessive tardies and absences are disruptive and problematic for the student, teacher, and the administration.

Linfield Christian School places the responsibility for regular attendance on the student and the parent(s). The school expects the parents and students to assure punctual arrival. Ultimately, the school holds the parent(s) accountable for the faithful and consistent attendance of the students. We appreciate the support of the parents as we partner together exhibiting honest behavior in regards to our Attendance Policies.

Closed Campus

Linfield Christian School maintains a Closed Campus Policy. Once students arrive on campus, they are not allowed to leave campus without permission. Students may not leave campus for lunch unless accompanied by their own parent. High School students are prohibited from going to their cars during the school day. During the school day, students must not be out of eye and voice contact from any immediate classroom. Parents, relatives of students, and all visitors must check in at the school office immediately upon entering the campus. Any student leaving campus must be signed out by a parent or guardian at the attendance office. Students are considered truant if they leave campus without signing out at the attendance office. To help improve the safety and protection of our campus, please note that our campus will be inaccessible during the evenings and on weekends (except for special school activities).

Visitors

All visitors to the Linfield campus are to check in at the office of the division being visited. Parents who come to campus to help on a regular or occasional basis must also check in at the office. Student visitors to the classrooms are restricted to prospective students. Visits are normally not allowed during the first and last week of each grading period or during final exams. **Student visitors must obtain permission from the Principal prior to their visit.** Alumni are welcome to visit during non-instructional class time and must obtain a visitor pass from the school office. It is expected that visitors will comply with our Modesty Guiding Principle (as described in our Dress Regulations) when on campus. Parent observations or prospective students may be arranged by appointment through the Admissions Office.

Parents, guardians, and community members are welcome to visit the school. Please make an appointment 24 hours in advance to verify that someone will be able to meet with you. Please check in at the attendance office. All visitors will be given a visitor's pass. We guard our learning time intensely; therefore, please do not disturb a teacher during class. In order to maintain a safe and orderly learning environment, students' friends or visitors without approval are not allowed on campus at any time during school hours. LCS has a closed campus policy.

To help improve the safety and protection of our campus, please note that our campus will be inaccessible during the evenings and on weekends (except for special school activities).

Chapel

Chapel is held regularly in each division and students are required to attend. Chapel time is a special and reverent time during the busy school week. It is a time set apart for worship and reflection. Chapel services are designed to support the school's Mission and Purpose of challenging students to know Jesus Christ as Lord, love others as themselves, grow in knowledge and skill, and to serve the Lord through their character and leadership. Chapel services include prayer, singing, a speaker, and occasional special programs. Parents and guests are welcome and encouraged to attend. Students and guests are expected to conduct themselves in a respectful manner.

School to Home Communication

Communication between school and home helps promote success for our students. In addition to regular scholastic reports, the school uses electronic e-mails to our parents as our primary source of communication during the course of the year. Parents are expected to read these materials in their entirety in order to remain apprised of developments at the school. The school cannot be held responsible for the inconvenience caused (to the parents) when properly published information goes unnoticed. Also, NetClassroom is offered to our parents in order to easily share student information between teachers and parents securely online. It enables parents to check their child's grades, attendance, and schedule — all conveniently from home or the office.

Change of Address, Telephone Number or E-mail

Any change of address, telephone number(s), or e-mail address needs to be reported to the office immediately. It is important for the school to have current information at all times.

Parent/Guardian Residence Requirement

In order to achieve success in the academic and spiritual education of our students, it is required that the child remain in residence with the parent/guardian throughout their enrollment with Linfield Christian School. This requirement is in order to assure that Linfield Christian School and the parent/guardian are able to monitor and manage the attendance, academia, discipline, and spiritual training of the child. This requirement is to include any enrolled student who achieves the age of majority, eighteen (18) years, prior to graduation from Linfield Christian School. If a student should terminate his/her residence with their parent/guardian prior to graduating, Linfield Christian School is to be notified immediately so the school may take action as it deems appropriate up to and including expulsion.

Emergency Contact

Parents are required to complete an emergency medical card and general consent form for their student(s) each year. **Please be sure that you include a current phone list of at least two LOCAL people who may, in an emergency, be called upon if you cannot be reached.** Notify the office immediately if there are any changes in emergency card information. Please include current medical information and your insurance information so proper treatment may be obtained if necessary. Students may not attend class until their emergency card is completed and turned in.

Fund Raising

Tuition and fees provide only a portion of the total cost required to educate a student at Linfield Christian School. As is the case with most private schools and colleges, this revenue shortfall must be made up by gifts and contributions. The Linfield Foundation conducts an Annual Fund Drive, an Annual Benefit Auction, an Annual Golf Tournament, and various other activities and events to achieve the school's revenue requirements. The Foundation also conducts Capital Campaigns to raise funds to provide facilities and services that will augment Linfield's building programs.

Proceeds from the SCRIP Program and various other student and parent fundraising activities conducted by Linfield Christian School Clubs/Groups all go to support the school's programs.

All proposed fund raising activities must be submitted to the President or Director of Development for approval prior to implementation.

Parent Participation

The school's Parent Participation Program is designed to actively involve parents in the education of their child(ren), build a strong community, and provide an incentive for parents to contribute to the operation of the school. Parents are required to serve 20 participation hours per year, per family, or pay a \$200 fee in lieu of serving participation hours. A variety of opportunities are available for parents to serve their hours including participation in the parent organizations. For information on how you can be involved, contact your school administrator.

All volunteers are required to complete the LCS Volunteer Code of Conduct. This form will be available on our website Monday, September 13. When helping at school, parents are asked to sign in at the appropriate school office. We also ask that parents not bring their other children when they are serving their participation hours or working on campus.

Scrip Program

SCRIP gift certificates are a national fundraiser used by many schools and churches. SCRIP is available for grocery stores, over 20 retail stores, and over 30 restaurants. When you purchase SCRIP, you receive gift certificates to use at the stores at no added cost to you. Parents are required to purchase \$1,000 of SCRIP between June 1 and May 15 of the current school year, or pay a \$100 fee to the school. SCRIP may be purchased in the Administration Office or ordered online. As a convenience, standing orders are available and can be set up through the Administration Office.

Conduct and Discipline

The conduct and discipline philosophy and policies are written in light of the truth of Proverbs 22:6, "Train up a child in the way he should go, and when he is old he will not depart from it." Linfield Christian School realizes its responsibility and role in the personal growth and development of the students who attend here. We believe it is our responsibility to assist the parents in training and leading their children into maturity and self-discipline.

With this in mind, we have established policies to indicate the type of behavior and conduct that is acceptable and the necessary consequences of behavior and conduct that is not acceptable.

The faculty and administration have the following expectations with regard to discipline and accountability at Linfield Christian School, and students are expected to:

- Be courteous, well-mannered, and gracious in their conduct
- Be positive and show respect and sincere consideration for peers and adults
- Have a high regard for personal and school property
- Be honest, dependable and self-disciplined
- Refrain from inappropriate displays of affection
- Correct and change behavior which is disruptive or destructive to the learning environment
- Behave in a manner that is conducive to the commonly held goals of the school community

Linfield Christian School is a community of hundreds of individuals who work and learn together. Students, faculty, and staff are expected to conduct themselves in a manner that exhibits a spirit of cooperation, consideration, and respect. Given a community this size, there is a need for rules and regulations, required procedure, and protocol. But in addition to obeying the "letter of the law," we expect our students to exhibit an appreciation for the "spirit of the law" as well.

Linfield Christian School expects the full cooperation and assistance of the parent(s) in student discipline and all school matters. All communication should be conducted with mutual respect and cooperation. The school, parents, and students are mutually responsible and accountable for the well being of the school community.

It is expected that most discipline problems will be handled by the classroom teacher, the goal being to encourage students and to help them realize the benefits of personal responsibility and self-discipline. More serious problems and/or repeated problems will be referred to the Principal. Major offenses will be referred to the Discipline Panel. Withdrawal of a student pending disciplinary action will not prevent Linfield from proceeding with the pending disciplinary action.

Suspension/Dismissal

The school reserves the right to exclude or dismiss at any time students whose conduct, influence, spirit, industry, progress, or academic standing it regards as undesirable or unsatisfactory. In addition, a student and his/her personal belongings may be examined at any time for any condition that may affect his/her health and safety, the health and safety of others, or for suspected areas of non-compliance with school guidelines.

A student may receive an out-of-school suspension for a specified period of time. A student who is suspended may be placed on Behavioral Probation for one semester. Any infraction during that time may result in a referral to the Discipline Panel. The Discipline Panel consists of the President and Administrator from each division. (High School – For academic penalty for suspension, please refer to the High School section, "Unexcused Absence.")

The Discipline Panel interviews the student faced with serious discipline issues and determines whether or not the student will remain in school. Depending on the severity of the misconduct, a student may be dismissed from school whether or not there has been any prior misconduct of record. Dismissal is the final, permanent disciplinary action taken by the school. This action becomes a part of the student's Permanent Record, and the student is removed from the school for the remainder of the academic year. Any student who has been dismissed or has been asked to withdraw from the school for discipline reasons is not permitted on campus unless he/she has specific permission from the President.

A student who has been dismissed from Linfield Christian School may reapply for the following academic year provided the student has successfully completed a semester of work in an approved program, met all standard requirements for admission, and receives unanimous approval by the Discipline Panel.

On-Campus Restrictions

Please note: Skateboarding, roller skating or scooters are NOT allowed on campus at any time.

Off-Campus Behavior

Linfield Christian School reserves the right to confront behavior that is detrimental to the student, the community, the school, and/or others, regardless of the location or age of the children. For purposes of this Handbook, "location" means any public or private place including, but not limited to, cyberspace and internet web sites.

Pranks

Students who participate in any activity that threatens and intimidates or endangers the health, physical, or emotional well being of a community member; results in damage, malicious or non-malicious vandalism, or general disregard for school or private property, or involves a violation of school policy is strictly prohibited. This includes "Senior Prank," "Color Wars," etc. Any student who participates in such activity will be subject to the disciplinary process.

Breaking the Law

Students who break the law, either on or off campus, will be subject to investigation and disciplinary process. When a student is charged by a federal, state, or local authority, the school will not request special consideration for that individual because of his/her student status. The school will cooperate fully with law enforcement agencies in the enforcement of the law.

Lewd, Indecent or Obscene Behavior or Language

Lewd, indecent, or obscene behavior, language or dress will not be tolerated and will result in disciplinary action. This includes but is not limited to the possession or display of pornographic and/or sexually suggestive material, and derogatory racial/ethnic material in any form on school owned or leased premises, including cyberspace (Facebook accounts), personal computers, mobile phones, flash drives, PSP's, iPod's, and other media storage devices.

Policy Against Harassment

Linfield Christian School is committed to providing an environment for students, faculty, and staff that is free from unlawful discrimination. In keeping with that commitment, the school maintains a strict policy prohibiting harassment based upon race, color, national origin, ancestry, physical handicap, sex, disability, or age. This policy prohibits unlawful harassment including verbal, physical, and visual harassment.

Any student who believes that he/she has been the victim of unlawful harassment should **immediately** report the matter to the school administrator or person of higher authority. Complaints of harassment will be promptly investigated, and appropriate corrective action will be taken.

Inappropriate use of Fire Alarms/911

The fire alarm system at Linfield Christian School is designed to notify everyone of danger in order to save lives. When our fire alarm system sounds, it automatically summons the Temecula Fire Department for response.

When our fire alarm sounds or 9-1-1 is called, and we discover that it is a deliberate false alarm, there will be serious consequences associated with this type of "prank." According to the Temecula Fire Department: Law Enforcement Code 148.4 states the misdemeanor penalty for making a false alarm is a minimum of 1 year in jail + \$1,000 fine. However, if during the commission of the fire department response, someone is injured or killed, the charge of the false alarm offender is automatically elevated to a felony and mandatory prison.

Discipline Guidelines For Major Offenses

When a student's behavior violates school policy, he/she is subject to discipline. Parents are notified and included in the disciplinary process. All such incidents will be documented and the written documentation will become a part of the student's discipline file. Any discipline resulting in suspension may result in the student being placed on behavioral probation. The Discipline Panel will determine the disciplinary action for major offenses, which may include expulsion.

The following are discipline guidelines for specific major offenses. This list is non-inclusive of every offense which may require disciplinary action and the school reserves the right to discipline students whose conduct, influence, spirit, industry, progress, or academic standing it regards as undesirable or unsatisfactory.

Dress Code – Standards of Modesty

Linfield Christian School (LCS) desires to create an educational atmosphere that honors God and maximizes learning. Modesty, moderation, neatness, cleanliness, and gender distinction are the overriding principles of the LCS dress code and are values expected to be embraced by all LCS students whenever they are on campus or attending a school-related activity. All wardrobe related decisions are at the discretion of school administration. Clothing should be clean, neat, and appropriately sized. Clothing that is excessively tight, baggy, dirty, or sloppy is not allowed. Modesty is very important. Clothing and/or any pictures, drawings, symbols, or values advertising/promotional material that promote drugs, alcohol, tobacco, anti-Americanism, racism, or sexual promiscuity is not allowed. ***Parental review and support before a student leaves for school is an important aspect of meeting dress code standards.*** Students are expected to arrive in uniform and remain in wardrobe attire until they depart from school for the day. For students participating in co-curricular activities, please follow guidelines as provided by your coach or director. Students must be in modest dress at all times while on campus or attending all school events.

The intent of these guidelines is to allow some variety of tastes within the wardrobe framework of modesty, decency, and appropriateness. If attire is not appropriate, student will be required to change into suitable clothing in order for the student to continue the day of classes. Students will not be permitted to attend class until they are in approved wardrobe. Consequences for not following the dress regulations will result in discipline outlined by each division administrator.

Modesty Guiding Principle – *It is a violation of the dress code to show underwear, midriff, lower back, or cleavage at any time (including while leaning over or raising the arms).*

The administration is the final authority in determining and interpreting dress code policies including, but not limited to, the definitions of modesty, moderation, neatness, cleanliness, gender distinction, and natural color.

Health Policy

The physical health and safety of each student is of the utmost importance. Please take the initiative to keep your child at home when he/she is ill. Most importantly, do not return your child to school until he/she is able to participate fully in the normal school day. The school does not have a nurse on staff.

If a student becomes ill or has an emergency for which immediate treatment is necessary, the school will rely on the information on the student's emergency card to notify the parent, or other adult designated on the emergency card. Parents or guardians are responsible, once notified, for having their ill child picked up promptly. The office staff will call other persons on the emergency release card if the parent or guardian cannot be reached or if they cannot come within **thirty** minutes.

The school is not permitted to dispense prescription or nonprescription medication, including aspirin or Tylenol, without prior written consent from a licensed physician/healthcare provider who has the responsibility for the medical management of the student. All such requests must be signed by the parent or guardian as well. Students are not to have any medication in their possession at school.

If your student requires medication for any reason, it may be administered at school only if the following procedures are adhered to:

1. An adult must bring the medication to the school office. Under no circumstances will a child be permitted to bring his/her own medication to school. This applies to all cough drops and vitamins as well as prescribed drugs.
2. A medication contract must be completed, signed by the physician and parent, and on file in the school office. No medicine will be administered without a medication contract on file.
3. Nonprescription medication must be in the original package or container, marked with the student's name, along with the directions for administering the dosage.
4. All prescription medication must be clearly identified with the student's name, in a pharmaceutical container describing the directions for administering the dosage, the time to be administered, the physician's name, and date medication is to be discontinued.

We are pleased to advise you that the school has acquired a supplemental insurance policy that covers students while involved in school supervised activities. This policy is a secondary policy to the student's primary coverage. Claim forms are available in the Business Office or Athletic Offices.

Steroid/Performance Enhancing Supplement Policy

Linfield Christian School recognizes that the use of steroids and other performance-enhancing supplements presents a serious health and safety hazard. As part of the School's drug prevention and intervention efforts, the administration, faculty and staff shall take reasonable steps to work with parents to prevent students from using steroids or other performance enhancing supplements.

Students participating in interscholastic athletics are prohibited from using steroids or any other performance-enhancing supplement.

Before participating in interscholastic athletics, a student athlete and his/her parent/guardian shall sign an Agreement that the student athlete shall not use steroids, unless the student has a written prescription from a fully licensed physician, as recognized by the American Medical Association, to treat a medical condition.

A student who is found to have violated the Agreement or this Policy shall be restricted from participating in athletics and shall be subject to disciplinary procedures including, but not limited to, suspension or expulsion in accordance with school policy.

Coaches and/or other qualified persons shall educate students about the school's prohibition and the dangers of using steroids and other performance-enhancing supplements.

Students in violation of the steroid/performance enhancing supplement policy shall be subject to disciplinary action. Upon a finding of policy violation, the athlete will be given the opportunity to be re-instated in the athletic program provided they can produce acceptable proof that their system is clear of any steroids and performance enhancing supplements.

Linfield Christian School is a zero tolerance facility. No person including school personnel and coaches, shall distribute, or promote to students any drug or performance-enhancing dietary supplements that promote muscle building. School personnel and coaches may provide only non-muscle building nutritional supplements to student athletes for the purpose of providing additional calories and electrolytes. Permissible non-muscle building nutritional supplements are limited according to the following classes: over the counter LCS pre-approved carbohydrate/electrolyte drinks and energy bars.

School personnel, including coaches, shall follow the manufacturer's recommendations when discussing the use of any drug or food supplement with a student athlete. In order to minimize the health and safety risks to student athletes, Linfield Christian School personnel shall not supply or recommend any drug, medication, or food supplement to enhance an athlete's performance.

The following warning shall be printed in 10-point bold type, and shall be posted in the locker room of the middle and senior high schools and shall be contained in any contracts for the lease or rental of the School's athletic facilities (Civil Code 1812.97):

Warning: Use of steroids to increase strength or growth can cause serious health problems. Steroids can keep teenagers from growing to their full height; they can also cause heart disease, stroke and damaged liver function. Men and women using steroids may develop fertility problems, personality changes, and acne. Men can also experience premature balding and development of breast tissue. These health hazards are in addition to the civil and criminal penalties for unauthorized sale, use, or exchange of anabolic steroids.

Linfield Christian School does not accept sponsorships or donations from supplement manufacturers that offer muscle-building supplements to students.

Students and parents of students involved in athletics will be asked to sign an "Agreement for Student Athlete and Parent/Guardian Regarding Use of Steroids/Performance Enhancing Supplements."

Injuries

All injuries, no matter how small, are to be reported immediately to the teacher supervising the activity in which the injury occurred or to the school office.

1. Minor injuries will be given appropriate first-aid treatment by a staff member. Treatment will be limited to cleaning a wound and/or providing band-aids and/or applying ice packs.
2. In the case of serious injuries or other emergencies, parents will be notified and paramedics called, if needed. In the event that a parent cannot be reached, the person(s) listed on the child's emergency card will be notified.
3. The supervising teacher must be notified of all accidents and will complete an accident report for the school's records.

Disaster/Emergency Preparedness

Linfield Christian School recognizes its legal and moral responsibility to provide for the safety of its students and staff, especially in disaster situations. The school is also aware of its role to work cooperatively with other community agencies to prepare for and effectively deal with a disaster situation in our community. Consequently, it is the intent of the school to assure the optimum safety and welfare of the students and staff. We have developed an effective disaster preparedness plan and provided the appropriate instruction and practice to carry out that plan.

The primary purpose of the plan is to provide for the welfare and safety of the students during school hours. The major goals of the plan are to save lives, protect property, and give aid to victims in the event of a disaster. To successfully attain these goals, it is the intent of the plan to make people aware of how to act and react before, during and after the occurrence of a major disaster.

Copies of the EMERGENCY PLAN and the emergency kits have been placed in each school office and classroom.

Emergency Procedures

Evacuation drills (fire and earthquake drills) can be expected at any time. At the sound of the pulsating bell:

1. Teachers will direct students as they leave the buildings in an orderly fashion.
2. Students are to remain quiet during all phases of the drill.
3. Each group must remain in line at the assigned location until an all-clear signal is given by the Administrator.
4. Students should become familiar with the information posted in all classrooms regarding other emergency procedures.

Lock-down Procedures

If there is ever imminent danger for students or staff, the administration will announce a "lock-down" for the entire campus. Faculty and staff should immediately get students into a protected environment until a release is announced. The following guidelines should be adhered to for the safety of students:

1. Notify all staff via an All-School Page by stating: "This is a Lock-Down." Administrators contact one another using radios.
2. Faculty and staff lock doors with students inside classrooms. Students outside of classrooms will report to the closest classroom or office. Coaches on the field must bring student/athletes into the locker room and lock-down.
3. Teachers/coaches take roll.
4. Office calls each classroom to ask if all students are present. Teachers will also identify students present who are not on their roll (Elementary).
5. Middle School and High School teachers will log all students present in their classroom. Office will call to verify students.
6. All clear sounded by All-School Page of "Lock-Down cleared."

Evacuation drills are held regularly during the school year. Instructions are given to students, and directions are posted in each classroom.

Child Abuse

Each staff member is required, by law, to report to the Department of Social Services any observed or suspected injury or incident which may threaten the physical or emotional health of any child.

Child Custody

If legal custody stipulations apply to your child, it is required that a copy of the court order be submitted to the school office.

Computer and Internet Policy

Computers and Internet access are available in classrooms and the Ward Technology Center. Although the Internet represents a valuable information resource for legitimate school business and research and information sharing, it also presents a significant opportunity for abuse. **It is the school's policy that Internet use should be strictly limited to school activities or assignments.**

APPROPRIATE COMPUTER AND INTERNET USE

1. Consulting with experts in a variety of fields.
2. Communicating with other individuals regarding a particular area of study or work-related situation.
3. Conducting searches, evaluating resources, and locating relevant material.
4. Interacting with up-to-date primary sources.
5. Using educational software as told by instructor.

Students are held responsible for their actions whenever using the school's computers and/or Internet. **THE FOLLOWING ARE EXAMPLES OF ACTIVITIES THAT WILL RESULT IN DISCIPLINARY ACTION, NOT EXCLUDING EXPULSION:**

IMPROPER COMPUTER AND INTERNET USE

1. Using the network for any unlawful activities, including sending or receiving copyrighted materials in violation of copyright laws or license agreements
2. Using the network for financial gain or initiating any financial transactions
3. Degrading or disrupting the equipment or system performance. Any security problems must be reported to the technology coordinator and not shared with other users.
4. Vandalizing the data of another user
5. Wastefully using finite resources. Internet traffic affects the school's network computer infrastructure by using network bandwidth, storage and computer resources. Conserve these resources and protect system response time.
6. Gaining unauthorized access to resources, including attempting to bypass the censorware installed on a computer with Internet access
7. The intentional access or disclosure of proprietary or confidential school data by anyone without a legitimate business purpose and right to know is prohibited.
8. Invading the privacy of individuals including reading e-mail that belongs to others without their permission
9. Using an account owned by another user, with or without that user's permission
10. Passwords and other computer security procedures are confidential and may not be disclosed to anyone without first obtaining permission from the pertinent administrator.
11. Posting personal communications without the author's consent or posting information not meant to be made public
12. Posting rude or inappropriate messages
13. Sending or retrieving sexually explicit or offensive images, messages, cartoons or jokes, ethnic slurs, racial epithets or any other statement or image that might be construed as harassment, disparagement or libel
14. Downloading malware, including viruses, spyware, adware, or any damaging software or code viruses, or attempting to circumvent security programs
15. Students are never permitted to use a teacher's computer.
16. Violating the spirit of the school's Mission Statement

It is to be understood that Internet access is a privilege, not a right, and a student's access may be terminated. All students agree to abide by the following Code of Ethics with regard to their electronic communication:

I will strive to act in all situations with honesty, integrity, and respect for the rights of others and to help others to behave in a similar fashion. I will make a conscious effort to be a good testimony to students, faculty members, and others I communicate with on the Internet. I agree to follow the school's basic rules on conduct, and I will strive to apply Philippians 4:8, "Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things."

Students use the Internet at their own risk. Linfield Christian School is not responsible for:

1. The reliability of the content of a source received by a user. Students must appropriately evaluate sources.
2. Any consequences of disruption in service that may result in lack of resources. Though every effort is made to insure a reliable connection, there may be times when the Internet service is down or scheduled for use by teachers, classes, or students.
3. Guarantee of privacy or security of electronic mail. All e-mail messages are the property of the school. The administration reserves the right to investigate and monitor any e-mail, images, or documentation that comes through Linfield Christian School computers.

The computers and peripheral equipment, including printers, software, and e-mail, are the property of Linfield Christian School. Students are prohibited from moving the computers and peripheral equipment within the school and/or removing them from the school property. In addition, under no circumstances are students to install or remove software or hardware on individual computers or the network. The **only** persons authorized to install or remove hardware and software are the Technology Managers.

Transportation

Students who are driven to school are to be dropped off and picked up at the designated drop-off area at each site. Please refer to School Division policies for drop-off/pick-up procedures. For the safety of our students, please do not drive behind buildings. Students who are driven to school for an activity, may be dropped off and picked up at the site designated by the activity coordinator. Students may drive themselves to appointments with parental approval. Students are prohibited from driving other students to and from any school field trips.

Bus-Riding Regulations

Daily bus service is available to and from school for the cities of Murrieta, Wildomar, Canyon Lake, Menifee, and Sun City. A Transportation Reservation Agreement and the required transportation payments are required for each student who rides the bus on a daily basis. Students may occasionally ride the bus to and from school (depending on availability) with 24-hour notice to the Transportation Department and written parental permission. Pursuant to Sec. 34501.6 of the Vehicle Code, on days when fog or other atmospheric conditions hinder visibility, a check site will be set up at Linfield to determine the range of visibility. If visibility is 200 feet or less, another check will be done in 30 minutes. If visibility is still 200 feet or less, transportation will not be available for the scheduled bus run. Every effort is made to adhere to the published time schedule. However, there may be occasional delays due to unusually heavy traffic, road conditions, or other unforeseen circumstances.

In the event of cancellation of bus service due to mechanical breakdown or driver illness, the school will make a reasonable attempt to give 24-hour notice of cancellation to parents.

The following are behavioral expectations for students riding the bus:

1. Students shall at no time extend head, arms, hands or other extremities from bus windows, whether the bus is in motion or not. (5 CAC 14103)
2. Students are to remain seated without pushing, crowding or unnecessary physical contact, keeping their hands to themselves and off other's property.
3. Except for ordinary conversation, classroom conduct shall be observed. Excessive, boisterous, or loud conversation can divert the driver's attention, which could result in a serious accident.
4. Students may not stand in the street or highway to wait for the bus and those who must walk along the highway are to walk facing the traffic. Students may only cross the street in front of the bus. (13 CA 1227)
5. Students are to use the handrail when getting on or off the bus and should never hang onto the side or loiter near the parked bus. No students are to be on the bus when the driver is not present, and students should remain in full view of the driver when boarding or leaving the bus.
6. Students may not throw anything and must keep their personal belongings out of the aisle.
7. Students must make room for boarding passengers and may not change seats without driver's permission. Should this become a problem, driver may assign seats.
8. No food, drink, glass containers, animals, or selling of any kind are permitted on the bus. No makeup, nail polish, hair spray or perfume may be applied on the bus.
9. Failure to comply with the standards of conduct is in violation of California State Administrative Code and the School's Transportation Policy and Bus Regulations. These standards are necessary for the safety of the passengers. Continued violations could result in a student being denied the privilege of riding the bus to and from school.

Tuition Payments

Tuition payments begin on June 1. If tuition payments are not paid on time for June, July, and August, students may be placed in a wait pool, and space will not be guaranteed. In addition, in the event of any delinquency in tuition payments, grade reports will be withheld, and students may be prohibited from attending classes and co-curricular activities.

Parents or guardians who select a payment plan option for their student(s) must enroll with Tuition Management Systems (TMS) who administers these plans for the School. With the exception of tuition payments paid at the time of registration, families that select a payment plan option should make their payments directly to TMS. Enrollment forms are available from the admissions or business office.

The obligation to pay student's tuition to Linfield becomes binding when the Registration and Enrollment Agreement is submitted for registration or June 1, whichever date occurs later. Prior to July 15, upon parent's written notification to the Business Office of student's withdrawal from Linfield, the parent shall be entitled to a pro-rata refund of student's applicable tuition based upon a school year commencing June 1, and ending May 31. **Following July 15, parents are obligated for the full annual tuition and are not entitled to a refund, credit or any other adjustment or reduction in tuition regardless of a student's absence, withdrawal, or dismissal from Linfield.**

Tuition accounts must be current before re-enrollment can be finalized. In the event of limited openings, if a tuition account is not current, students may be placed in a wait pool. Complete payment of tuition and other outstanding charges is a prerequisite for students to begin school.

Re-Enrollment

A Registration and Enrollment Agreement and a \$250 non-refundable fee are required by the priority deadline of March 15, for re-enrollment. Upon receipt of the signed agreement and fee, a space will be held for the student until June 1, at which time tuition payments commence. Linfield Christian School reserves the right to place students in a wait pool (at which time a space is no longer guaranteed) if the tuition payments are not current or the previous year's tuition has not been paid. *International students and*

returning students registering after the priority deadline of March 15 should refer to the currently published fees schedule for registration fee information.

PRIORITY RE-ENROLLMENT DEADLINE

The priority re-enrollment deadline is March 15. Returning students will be guaranteed a space provided tuition is current and their Registration and Enrollment Agreement and fees are received by March 15. After March 15, enrollment will not be guaranteed for returning students and open enrollment will begin for new students. Wait pools will be established for grades with limited openings.

RE-ENROLLMENT INVITATIONS

Each student's progress is reviewed, and invitations to re-enroll are extended based on the assumption that students will maintain satisfactory progress throughout the remainder of the current school year.

DEFERRED INVITATIONS

An invitation to re-enroll may be deferred due to a student's academic and/or disciplinary record. The school administrators will notify parents of the final determination of the student's eligibility to return. **Registration fees and Enrollment Agreement for deferred students are still due by the priority deadline in order to reserve a space. If an invitation is extended, the deferred student's re-enrollment will move forward.** Registration fees will be refunded in the event an invitation to re-enroll is not extended.

Guidelines for Student Withdrawal From School

1. Parent must notify the school office **in writing immediately** if the student is withdrawing from Linfield.
2. The contractual financial obligations of a withdraw are described in your Registration and Enrollment Agreement. If there are any questions please contact the Business Office.
3. An exit interview (either in person or via the telephone) should then be scheduled with the school Principal, Director of Admissions, or President to discuss the reason for leaving.
4. The student's books must be turned in to the Elementary School Office (grades K-5) or to the High School Library (grades 6-12) on the same day as the exit interview.
5. The withdrawal paperwork will be prepared by the school secretary. The parent must go to the Business Office to pay any tuition and/or outstanding charges.
6. After clearance by the Business Office, Linfield will provide a copy of the completed Student Withdrawal Report directly to the parent. Linfield will only deliver the completed document to a parent or legal guardian. If the grades are in progress and are not available at that time, the school secretary will notify the parent when grades are available.
7. In the event the student seeks to withdraw from Linfield while a disciplinary action is in place or pending, the Student Withdrawal Report shall be deemed an Interim Report, pending the outcome of the discipline. Linfield will forward the Interim Report, as well as the Final Report to the student's new school. Withdrawal of a student pending disciplinary action will not prevent Linfield from proceeding with the pending disciplinary action.
8. In the event an outstanding balance is due at the time of student's withdrawal for miscellaneous charges, including unreturned or damaged books and school equipment, the school may withhold student's grades and transcript and notify the student's new school of the outstanding charges due.

Please do not drop off students in front of any stop sign on campus. Please use designated drop off / pick up areas only.

During regular school hours, please use the gym parking lot at your convenience when you need to pick up your student for an appointment, or if you have other school business to attend.

During the school day, students must not be out of eye and voice contact from any immediate classroom or the Middle School Plaza or Quad area. **Students are prohibited from going to other campuses without permission during the school day.**

Grading/Evaluation

Semester grades are the official grades recorded on the student's transcript. The school issues quarter grades that, while unofficial, give the student assessment of progress at the mid-point of each semester. Report cards are issued at the close of each grading period. Semester and final report cards may be withheld until all outstanding tuition, fines and fees are paid.

A grading system is a statistical measure of progress and performance. It is used to give the student, parent, and teacher an indication of the degree of progress, on a percentage basis, that the student is making in a given subject area.

Grading System

Outstanding	A	90-100
Good	B	80-89
Average	C	70-79
Needs Improvement	D	60-69
Failing	F	59 or less
Incomplete	I	

Quarter and semester grades of Incomplete (Inc.) become an "F" if not made up within ten (10) school days from the date of issuance of the Report Card.

Homework Policy

Homework (written work, reading, study, and drill) is an integral part of the educational process at Linfield. Students will be given assignments in all course work, and they are expected to be prepared daily. Parents will be notified by phone or email if homework assignments are not completed on a consistent basis and /or when a student's grade is at 73% or lower. ***Should a student not turn in the assignment by the prescribed time, the teacher will not accept the assignment.*** Students have the number of days of excused absence to make up homework. Homework will be evaluated by the teacher on a regular basis, and students are to be made aware of their progress. Linfield offers online access to academic information via NetClassroom. Information may include assignments, attendance, grades and schedule. Faculty will update NetClassroom a minimum of every two weeks (note: long term assignments such as projects and research papers and essays will take longer than a week to grade and post). For questions pertaining to NetClassroom, please visit the FAQ section on our "Parents" page under "Linfield Family" on our website (www.linfield.com).

Long-Term Assignments

A student's absence will not excuse the delay of turning in a long-term assignment to the teacher. When a student receives a long-term assignment at least two weeks before the paper or project is due, it is the responsibility of the student and parent to make sure the assignment is turned in to the teacher the morning it is due. Failure to do so will warrant a full letter grade reduction every day the assignment is late.

Honor Roll

Students who achieve a semester GPA of 4.0 in their academic classes for that semester are eligible for Principal's List. All students who achieve a semester GPA of 3.61-3.99 for that semester are eligible for High Honor Roll. All students who achieve a semester GPA of 3.30-3.60 for that semester are eligible for Honor Roll. Students who receive a letter grade of "D" or "F" will be disqualified from the Honor Roll. In addition, students receive awards at academic pep rallies held during the school year.

Students are recognized for outstanding citizenship and honor roll achievement. A variety of awards will be given by teachers and administrators to eighth grade students who consistently meet behavioral and academic expectations. These include academic department awards, Lion of the Year, and Presidential Academic Awards.

Academic Probation

If a student falls below an overall Grade Point Average (GPA) of 2.0 in a semester, he/she may be placed on academic probation. Academic probation is determined each semester during the academic year. Grades earned and reported on student report cards will be the basis for establishing a GPA. A student will be notified by the Administrator that he/she is on Academic Probation for the following reasons:

- Two or more "F's" in two or more subjects
- A total GPA below 2.0
- Students who do not maintain a minimum GPA of 2.0 for two successive semesters or who receive two or more grades of "F" will not be eligible to continue their enrollment or register for the following semester.
- A total GPA of 2.0 and no more than one "F" will be used to determine ELIGIBILITY for co-curricular activities including fine arts and athletics every quarter.

Eligibility For Co-curricular Activities

For the privilege of participating in co-curricular activities, a student must maintain a **2.0 total GPA and no more than one "F."** Eligibility includes, but is not limited to, athletics, Student Government, drama productions, and cheerleading. Eligibility reports are taken from the following grading periods: First Quarter, First Semester, Third Quarter, Second Semester. Eligibility is based on the last grading period preceding the co-curricular activity. If it becomes necessary to fill a vacated position due to ineligibility, it is

possible the student may not resume the same position when they regain their eligible status. Final decisions on reinstatement will be made at the discretion of the faculty advisor, coach, Athletic Director, Principal, or President. Students under suspension are not allowed to participate in co-curricular activities and are not allowed on campus.

Library / Textbooks

Textbook or Library Book Damage

Textbooks are issued to students in acceptable, good or new condition. All repairs have been made when the book is checked out to the student. If you notice anything wrong with your textbook, bring it to the librarian immediately for repair. Damage assessments are made during book check-in and you may be charged for the following:

1. Minor damage -- \$5.00 – mainly barcode damage; can also include tape marks, small page tears and pencil marks.
2. Major damage -- \$15.00 – most often damaged book spines which the librarian can repair, or this fee covers the cost of rebinding the book.
3. Severe damage – cost of the book – this includes heavy water damage (no book will be kept if mold is growing in it due to health concerns), broken book spines and covers, and any damage from drawings or writing.

Lost Textbooks

Students are responsible for all their textbooks should they become lost, damaged or stolen. Students should keep their textbooks in a locked locker or in a book bag or backpack that is in their physical possession. Do not leave textbooks in classrooms or loan them to friends. If a textbook is lost, another one will be checked out if one is available. (Students will be issued one set of textbooks; extra sets are only given out for medical reasons, or for tutoring.)

Textbooks that are misplaced or not properly stored in lockers may be turned in to the library by faculty and staff members. Students must pay a \$2.00 fine to get their book back. Students will be notified as soon as their book is turned in to the library.

Overdue or Lost Library Books

Library books will be checked out to the students for a period of 2 weeks. If the books are not returned by the due date, a fine of \$1.00 will be charged. Students may turn books in at the Middle or High School offices as well as the library. Overdue notices will be sent out on a regular basis. After one month, the late book will be considered lost, and the student will be billed for the book. If the book is then found and returned, the student will not have to pay for the book, but the overdue fines must be paid. Students who pay for books that are later found will receive a refund. All fines (of any amount) must be paid by the end of the year. Report cards will be held until library and textbook fines are paid.

Before Covering Your Textbook

1. You may want to clean the covers – use a “baby wipe,” Wet One or Lysol sanitizing wipe and dry with a paper towel.
2. Make sure your cloth book covers are big enough! Book covers that are too small will squeeze the binding together and damage the book. Students will be charged for damages caused by book covers that are too small.
3. Make sure you have binders or folders for your papers. Please do not stuff them into your book or the “pockets” created by the book cover; doing so may break the binding.
4. Write the textbook’s name and your name on the book cover with a Sharpie pen.
5. Please do not use adhesive plastic book covers.
6. Please keep your books in your locker when you do not need them for class. Do not carry your books around all day in your backpack; it causes the books to wear out faster.

Tests and Examinations

Tests and quizzes are given in all classes. Tests must be announced; quizzes, including 20 questions or less, may be unannounced.

If a test, project, presentation, or assignment has been announced ahead of time and a student is absent the day before that assignment or test, but is present the day of the test, the student is expected to take the test with the rest of the class. When a student misses class due to their co-curricular involvement, it is the student's responsibility to make prior arrangements with the teacher to take any quiz or examination being given that day. Any such arrangement will be at the teacher’s discretion. Numerous period or daily absences on test days may be referred to the Principal for review and disciplinary action.

Each semester, final examinations are given in all academic classes. Examinations are very important learning experiences, and careful preparation is needed. Adequate review time is set aside for semester final examinations.

Linfield administers the SAT and OTIS Lennon tests in the spring of each year.

Athletics

Participation in the athletic program at Linfield is an integral part of the total educational program. Physical activity and athletic competition enhance the physical, mental, and spiritual development of young people. Students participating in Middle School athletics are charged an athletic fee. Fees are determined by sport and can be found in the Middle School Athletic Handbook. Student athletes are responsible for knowing the content and adhering to the guidelines in the Middle School Athletic Handbook.

Linfield Christian Middle School Athletic Department offers the following competitive sports programs: Tackle Football, Flag Football, Volleyball, Cross Country, Basketball, Soccer, Baseball, Softball, and Golf.

Attendance

It is vital that all students attend school every day. It is a detriment to your student to schedule appointments during the school day. Missing classes puts additional pressure on the student and teacher. Students are expected at school **daily, especially on test days**. Consistent absences, especially on test days, may result in the lowering of the student's grade. Major projects must still be turned in on the established due date.

1. If your student is going to be absent (full day or part of a day), please call the Attendance Office at (951) 676-8111 extension 2200 and give the name of the student, the date of the absence, and the specific reason for the absence. If a phone call or note is not received within 48 hours after the absence, the student will receive an unexcused absence. Work missed may not be made up for an unexcused absence. **E-mail excuses will not be accepted.**
2. When an excused absence occurs, the student is responsible for any class work missed and must arrange with the teacher to make up assignments, tests, or quizzes. All make-up work must be returned within a time period equal to the length of the absence. For example, for a one-day absence, make-up work is due back within 24 hours.
3. **Ten absences in one semester, whether excused, unexcused, pre-arranged or if student is suspended, will result in the lowering of the student's grade by 10% in that class. Fifteen absences in one semester for any reason will result in no credit for that class.** Students and parents may appeal this action based on extenuating circumstances to be reviewed by the Academic Review Committee (for example, chronic medical condition with doctor verification).
4. Tardies and absences are recorded by semester on the student's permanent record.

Excused Absence

Absences due to illness, medical or dental appointments, or bereavement are excused. Written documentation is required within 48 hours to be an excused absence. Students have the number of days of excused absence to make up homework. If a student checks out during the day for an appointment (or because of a class field trip, athletic game, fine arts event, or other school activity), all work due must still be turned in for all classes before leaving campus.

Students should expect to make up quizzes, tests, and/or homework assignments missed during absence. Long-term illness will require special arrangements between the student, teacher, and administrator if necessary, for completing missed work or assignments.

A student who is absent only one day before a pre-announced test or quiz is expected to take the quiz or test at the regularly scheduled time unless excused by the teacher. If excused, the quiz or test must be made up within 24 hours.

Unexcused Absence

Absence for any reason other than those listed as "Excused Absence" will be considered an unexcused absence. Class work missed for an unexcused absence (including Suspension from school) cannot be made up. Tests may be made up with a 25% reduction to the grade. Students who are suspended will not be allowed to make up class work, homework, or quizzes that are due on the day of the suspension. Exceptions will be arranged through the Administration in conjunction with the teacher for major tests and projects.

Pre-arranged Absence

If a student's academic grades are "C" or higher, parents may request that a student be absent for family business, i.e. trips or vacation, etc. Students must obtain a pre-arranged absence form from the School Office which is to be signed by the parent and the appropriate teachers. The Pre-arranged Absence form must be completed **one week prior to the absence**.

The process is as follows:

1. Student picks up form and takes home for parent signature.
2. Parent signs form and student returns it to Attendance Office.
3. Attendance Office verifies signature by calling parent.
4. Upon verification, form is stamped with date stamp.
5. Student presents form to all teachers for approval (must have a "C" or higher).
6. Student returns form to Attendance office.

Students must make arrangements with teachers for the timely completion of all academic work. A pre-arranged absence will be limited to five (5) class days in any given year. DMV Appointments and Court Appearances require a prearranged absence form prior to the appointment and documentation upon return to Linfield. An approved pre-arranged absence is considered an excused absence. (Note the 10/15 absence rule above).

School Activity

A school activity is an absence which does not factor into a student's overall attendance. All work due must be turned in to all classes before leaving campus. School activities include:

- Participation in an athletic contest (athletes must sign out with attendance office)
- Field Trips

Truancy

Any absence without the knowledge and consent of parents and school officials is considered truancy. This includes leaving school before the end of the day without permission, or staying out of any part or all of a scheduled class without permission. Students will not have the opportunity to make up assignments or tests missed because of truancy, and all work missed will be given a grade of zero. The Principal and parents will be notified regarding truanancies. Please refer to the Conduct & Discipline section for further consequences of truancy. Truancy also includes a student who leaves school without permission from the Middle School Office and anyone who leaves the classroom without getting permission from the teachers.

The student will lose credit for any assigned work and will be suspended. Further truanancies may warrant additional suspensions, behavior probation, and possible referral to the Discipline Panel, which may include expulsion.

Tardiness

It is our goal to impress upon the students the importance of being punctual (life skills). The impact is immediate and affects the student's completion of any pre-instruction or warm-up activities. ***If a student arrives ten minutes after the class has started, the student is marked absent.*** Excessive tardiness to class or to school is a disruption to the routine of study and class work.

Each student will receive a grade for punctuality, totaling 5% of their overall grade. Each tardy will result in a loss of points on a given day for punctuality. Points will be totaled and recorded on *NetClassroom* no less than ***every two weeks***. Parents will be contacted by the teacher if the problem persists. A parent conference will be scheduled with the teacher and/or the Dean.

Tardies will now be cumulative (for all classes rather than per class) per quarter and tracked by our attendance office. Students are allowed a maximum of six tardies per semester. Upon the subsequent tardies:

7th tardy – the attendance office sends student home with a tardy letter to be signed and returned the next day to the attendance office. If not returned, the parent will be contacted by phone.

8th tardy – results in a Referral. Parent will be contacted by phone that day.

9th tardy – results in a Referral. Parent will be contacted by phone that day.

10th tardy – student will be sent to the Dean of Students immediately. Suspension will follow.

Student Illness or Emergency

If a student is ill and not able to remain in class, the parent or other designated adult will be notified. Student will not be released from school without parental permission.

Students should not call a parent to come to school to pick them up for any reason until it has first been cleared with the Attendance Office.

Co-Curricular Attendance Policy

To participate in any extracurricular activity (including practices), a student must be in attendance at least four (4) full periods of that day. Exceptions must be cleared by the Principal.

Conduct and Discipline

HONESTY POLICY

The teachers and staff at Linfield Christian School are sincerely interested in creating an atmosphere that encourages students to become honest, hard-working citizens who honor God. Students who make the choice to be dishonest are choosing to commit a serious offense. Academic and behavioral dishonesty includes, but is not limited to, the following acts:

1. Copying another student's homework
2. Sharing answers on a test
3. Looking at another student's test or quiz paper
4. Plagiarizing ideas or content in an essay or research paper
5. Providing another student with test information
6. Using any notes in class during an exam for the purpose of cheating
7. Having access to an exam prior to it being administered
8. Falsifying information of any kind
9. Electronic transmissions or use of unapproved devices

The consequence for participating in any of the above-listed actions is a zero grade on the homework, test, or paper involved in the dishonesty. In addition, the teacher will notify the Dean and parent and document the action as a referral for the student's permanent file. The student may be suspended. If a second offense occurs, in addition to the above consequences, the student will receive suspension for one to five days. If a third offense occurs, the student will receive the above consequences and will be referred to the Discipline Panel.

Classroom/Campus Discipline

For effective learning to take place, we expect students to display appropriate classroom behavior as well as respectful speech and behavior to peers and those in authority. When a student's behavior detracts from the learning process, we implement a discipline policy that is progressive. It is our desire that the student would respond to their particular discipline with an attitude of behavioral improvement. Behaviors where the discipline process would be implemented would include, but not limited to, the following: disruptive classroom behavior, dress code violations, disrespect, and not following school safety guidelines. If a student doesn't meet these expectations, the discipline process is as follows:

Classroom Teacher Concerns (Pre-Referral)

1. Speak with student after class
2. Speak with student / call parent / e-mail Dean for documentation

First Referral: Parent Conference

1. Student dismissed from class*; sent to Dean's office with documentation
2. Parent conference (may include teacher)

Second Referral: Student Support Team (SST)

1. Student dismissed from class*; sent to Dean's office with documentation
2. Parent conference with SST (may include other teachers, staff, coaches)

Third Referral: Suspension (length to be determined)

1. Student dismissed from class*; sent to Dean's office with documentation
2. Parent conference with SST (may include other teachers, staff, coaches)

Fourth Referral: Suspension (length to be determined)

1. Student dismissed from class*; sent to Dean's office with documentation
2. Parent conference with SST (may include other teachers, staff, coaches)
3. Behavior Probation – conditions and plan for improvement (see below)

Fifth Referral: Violation of Behavior Probation

1. Discipline Panel

****unexcused absence for class work missed***

Behavioral Probation

Students may be placed on Behavioral Probation by the administration for the equivalent of one semester (two quarters) for any inappropriate behavior, including disobedience, disrespect for authority or fellow students, property damage, negative behavioral trend and disregard for the rules and policies of the school. At the parent/student conference a plan for improvement will be established. Students who are on Behavioral Probation may be prohibited from attending co-curricular activities (including but not limited to athletic events, ASB activities, class field trips, and mission trips).

A student who violates the terms of the Behavioral Contract may be required to appear before a Discipline Panel. The administration may dismiss any student who has been on Behavioral Probation.

Dress Code Discipline

The following procedures and consequences will be followed when there have been violations of the Student Dress Code and Hair Length:

First Offense: Warning - The student will be sent to the school office. The student will receive a warning and will be reminded of the dress code requirements by the Dean or Principal. A change of clothes is required. The student may be sent home if necessary. Time spent out of class will be recorded as 'unexcused'. The violation will be documented and the student will be issued a referral.

- a. Wardrobe violation: Student's parent will be called to bring an appropriate garment for compliance. Student will not be allowed to return to class until in compliance. NO garments will be provided.
- b. Hair Length Violation: Student will receive a written notice and parent will be notified. Student will have one day from notification to be in compliance. Student must be seen by the Dean before being admitted back to class.

Second Offense: Referral - The student will be sent to the school office. A parent/guardian contact will be made. A change of clothes is required. The student may be sent home if necessary. Time spent out of class will be recorded as 'unexcused'. The violation will be documented and the student will be issued a referral.

Third Offense: Suspension - The student will be sent to the school office where he/she will be issued a suspension. Parent/Guardian contact will be made. The absence will be considered 'unexcused' and all work missed due to the suspension will be given a grade of zero.

Displays of Affection

There may be no display of affection anywhere on campus between Middle School boys and girls. Students who demonstrate inappropriate displays of affection will receive a warning for the first offense. If a second offense occurs, the Dean will document the incident, the Vice Principal and parent will be notified, and the student(s) will receive a referral. If a third offense occurs, in addition to the above consequences, the student(s) will receive a suspension.

Electronic Devices & Backpacks/Athletic Bags

No electronic devices are allowed on campus during school hours (such as iPods, PSP's, MP3 players, etc.). The exception to this is cell phones and Bluetooth devices, which must remain in student's locker. The phone may be used to call or text before and after school or during nutrition and lunch. Taking pictures with a camera phone is not allowed at any time on campus. This action may result in disciplinary action. Having a cell phone is a privilege and not a right. Any time a device interrupts a class, the teacher will confiscate it and give it to the High School Secretary.

- First Occurrence: The device will be kept the rest of the day.
- Second Occurrence: Parent or guardian must come to school to pick the device up.
- Third Occurrence: Parent or guardian must come to school to pick the device up. Student will lose their privilege for using their cell phone on campus for the remainder of the year.
- Fourth & Subsequent: Suspension (1 to 3 days)

Backpacks and/or Athletic Bags cannot be left in the hallways, around or on top of lockers, or in seating areas. Any time a backpack and/or athletic bag is left unattended it will be confiscated, given to the Middle School Secretary and the consequences listed above will apply.

Locker Protocol

1. All lockers are the property of Linfield Christian School and may be searched if student safety is at risk.
2. **Lockers must be locked at all times.**
3. Outside surfaces of lockers must remain free of marks, dents, stickers, or decorations.
4. Inside surfaces of lockers may be personalized to display individual character, but must reflect good choices. Please use magnets to adhere items to the inside of lockers, do not use two sided tape or other sticky adhesives.
5. Care should be taken to avoid slamming or kicking the lockers closed, please shut gently.
6. Students are responsible for having all necessary supplies for class. Students may expect consequences for not being prepared for class.
7. Linfield Christian School assumes no responsibility for items left in lockers.
8. All students' property (backpack, sports gear, etc.) must be stored inside lockers; the hallways/locker areas must remain clear.
9. School lockers will be inspected at the end of the school year for any permanent damage, such as from permanent markers and adhesives that pull off the paint finish. Any damage to the inside or outside of the lockers will be charged to the parent. **All students must have their locker checked out at the end of the year by the Middle School Office or the final report card will be withheld.**

End of the Year Check Out Procedure

All students must complete the Check-Out process including Athletics, Attendance, Library, Business Office, and Locker Check. Students must be cleared in all areas and return the check out form to the Middle School Office or the final report card will be withheld and students will not be allowed to register for the upcoming school year. If you have any questions please contact the Middle School Office at extension 2200.

Emergency Procedures

Evacuation drills (fire and earthquake drills) can be expected at any time. At the sound of the pulsating bell:

1. Teachers shall see that all students leave the buildings in an orderly fashion.
2. Students are to remain quiet during all phases of the drill.
3. All persons in the Middle School buildings will exit to designated areas.
4. All persons in the gym will exit to the playing field.
5. Each group must remain in line at the assigned location until the all-clear signal is given by the Administrator.
6. Students should become familiar with the information posted in all classrooms regarding other emergency procedures.

Lost and Found

Lost and found articles will be kept in the Attendance Office.

1. To keep the campus clean, anything found on the floor or ground outside lockers should be taken to the Middle School Office.
2. Report any items lost to the Middle School Office.
3. Found items are kept for short periods of time before being donated to a charitable organization.
4. School issued books found abandoned on campus should be turned in to the Librarian and may be retrieved from the Library at the cost of \$2.00.

ASB/Leadership

Middle School ASB members are elected and appointed officers and representatives from each class and meet at regularly scheduled times throughout the school year. ASB elections are held each spring for the following year. Entering sixth grade students elect their class representatives in the fall, at the end of the first quarter.

ASB members are expected to be role models to their student body, and as such their conduct and attitude will be held to a higher standard. If a student's conduct does not represent the goals or purpose for Middle School ASB and ASB Guidelines, the Principal or Dean of Students may suspend or dismiss a student representative from their office.

Purpose of Student Government:

1. Develop attitudes of good citizenship
2. Coordinate student activities
3. Encourage spiritual growth in Linfield students
4. Promote school spirit
5. Provide a channel of communication between staff and faculty and administration
6. Support the general school policies as established by the Board of Trustees
7. Develop and practice Christian leadership
8. Model the behavior standards of Linfield Christian School
