GREAT CALIFORNIA SHAKEOUT at LINFIELD !!!

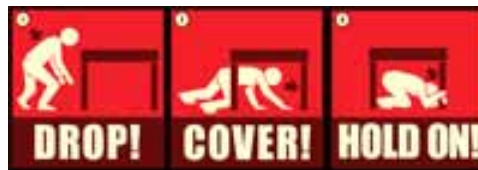

On October 20 at 10:20 a.m. approximately 8.6 million people participated in the 2011 Great California ShakeOut!

At Linfield, we used the [Drop, Cover, and Hold On](#) drill exercise to practice how to protect ourselves during an earthquake and increase our overall preparedness.

We announced the all-school Drop, Cover, & Hold On over the intercom.....held our position for one minute then faculty, students, and staff evacuated as if a real earthquake had occurred. **GREAT JOB EVERYONE!**
