

Master Minds Chess Program

At

Linfield Christian

Program Dates:

Fridays: 2:45-3:50

September 9, 16, 23 and October 7, 14, 21

Kings, Queens and Bishops too, want to play a game with you!

Parents,

Master Minds Chess is a six-week education enrichment program that we offer to elementary students in order to develop good sportsmanship, logic, and critical thinking skills in young children which can be applied to many aspects of their academic and extracurricular activities. We offer beginning, intermediate, and advanced level lessons, and every child in our program receives a medal of achievement at our final tournament to celebrate his or her personal accomplishments. With questions about the program, please contact us at mastermindschess@msn.com

Please make checks payable to Master Minds in the amount of **\$65**

Program fee includes instruction and materials, tournament participation, T-shirt and medal.

There is a \$25 fee for all returned/bounced checks.

Return payment (cash or check) with registration form in an envelope to the school office.

Student Name: _____ Grade: _____ Experience: _____

Address: _____ City: _____ Zip Code: _____

Name of Guardian: _____ Phone Number: _____ E-mail: _____

Emergency Contact: _____ Phone Number(s): _____

By signing this form, I authorize my child to participate in the Master Minds Chess program after school and accept responsibility for picking him/her up promptly following each session. The Master Minds staff will provide supervision for all students until they are picked up.
