

Linfield Christian High School
Winter Mountain 2019

January 29-31, 2019
Excused Absence Request

Winter Mountain is one of the highlights of our year at LCHS. All students are expected to attend and participate in all sessions and activities. Lifetime memories are made and stories abound for teachers and students alike! However, we realize that special circumstances might prohibit all students from attending.

To request the absence, please complete the following information, and turn it in to the High School Attendance office as soon as possible.

Student Name: _____ Grade: _____

I would like to request that my student not attend WMS for the following reason(s): _____

I understand that my student's attendance will be marked "excused absence" in each class for the days of January 29, 30 and 31. Absences from Winter Mountain will be recorded in their cumulative absences in the attendance record for the Second Semester.
