SUMMER

- Rest and relax!
- Continue exploring career and college options. Visit colleges that interest you.
- Participate in job shadowing and internships if possible.
- SAT/ACT Prep (See Counseling Office for Resources)
- Plan for SAT/ACT Testing in Junior Year
- Summer Enrichment Programs

KEY POINTS FOR SOPHOMORE YEAR

- *Be sure you are on track to complete graduation requirements. Be diligent about organization and academic excellence. Challenge yourself with the most rigorous classes you can handle!*
- *Continue to participate in activities and service projects that are meaningful to you.*
- *Begin to determine the criteria you will use to choose a college (programs of study, location, cost, legacy status, college focus, etc.)*
- *Take a practice PSAT...the one that counts is Junior Year!*
- *Use the summer months to do internships, job shadow and visit schools.*
- *Use Naviance to keep track of your high school experiences in anticipation of college applications. Collect Important documents, thoughts, test scores, etc. in a folder or binder.*
