Christian Service Requirement 2019-2020

Christian Service is a vital part of the educational process at Linfield Christian School. Christ has directed us to grow in an attitude of servant hood.
If anyone wants to be first, he must be last of all and servant of all – Mark 9:35

All students are required to volunteer for a minimum of twenty (20) documented hours of service FOR EACH LINFIELD SCHOOL YEAR ATTENDED. **Underclassmen: This annual requirement must be met in order to receive a current report card for grade completion and to select courses for the following school year. Seniors: This annual requirement must be met in order for grade completion and to participate in graduation activities.** Updates will be shown on report cards.

GUIDELINES:

- Service opportunities should be sought out in the community, through missions, or volunteer work. (Assist with a Sunday School class, Community Clean-up Projects, Food Pantry, Recycling Projects, Community Service Organizations, Operation Christmas Child, Tutoring Club, Worship Teams and Mission Trips)
- Service opportunities do NOT include service to family members.
- Service hours may NOT be acquired through time spent serving in a class the student is currently enrolled. (ASB)
- Sports camps are fundraisers are NOT considered community service if you are currently playing that sport.

We encourage our students to go far beyond these required hours of service as it creates a connection to our community and benefits others. An extensive list of Christian Service opportunities is available in the High School Office.
