Dear Linfield Families:

**Welcome to the Linfield Christian Foods Service Program!** For the past 13 years we have had the privileges to provide the lunch program for Linfield Christian School to both and Faculty and Students. Our staff is committed to providing high quality meals that meet all nutritional standards, while being cost-conscious for families. We continue to strive for the best possible in kitchen and food delivery operations every day.

As we begin our 2019-2020 school year, we are fortunately able to keep the same pricing for the Pre-Paid lunches which will still be at \$4.50 for all prepaid lunches from Jr.K through 8<sup>th</sup> grade and a very small price increases on some of our items from Ala Carte program in Middle School and High-School due to cost of food supplies and expenses. Elementary school is a monthly prepaid lunch program that will be offered to all students at the price of \$4.50 per meal which includes a hot entrée, 2 healthy sides dishes (1 serving of fresh fruit or vegetables will be served daily), and choice of either low fat milk or a bottle of water.

For our Middle school students, you have two options. Either a monthly prepaid lunch program which available to all students at \$4.75 per meal (includes a hot entrée, 2 healthy side dishes and choice of water or milk), Or the ala-carte menu will be available for those who didn't choose a prepaid lunch option. Our ala-carte menu items are priced from \$2.00 to \$3.00 and beverages from \$1.00 to \$2.00 and lunch special will also be offered daily upon availability with pricing range from \$3 to \$4.50. Varieties of hot and healthy snack menu items are also available during the Nutrition Break time.

We will continue to offer our online ordering website, [happyschoolmeal.com](http://happyschoolmeal.com), this continues to be a helpful tool for busy parents. Through the online ordering website the monthly menu will be posted to allowing parents to access for purchasing and deposit for your student's lunches.

If you have any questions or concerns, please feel free to contact me at any time. Your opinion and satisfaction are very important to me and to provide you with the best service possible. You can reach me, Janice Tran, either by phone (858) 348-7716 or via email [jpfodservice@yahoo.com](mailto:jpfodservice@yahoo.com).

In closing, I want to Thank You Linfield Christian School and Linfield Families for the opportunity to provide this program and for your continued supports. I am very excited for another great year of service at Linfield! **GO LIONS!**

Sincerely,

***Janice Tran***
