

LINFIELD CHRISTIAN HIGH SCHOOL

TEXTBOOK INFORMATION | 2020 – 2021

TEXTBOOKS FROM THE LIBRARY:

Textbooks that Linfield provides are checked out to each student during registration and are due on the last day of school, **June 11, 2021**. Students are responsible for the books that are checked out to them by barcode.

Please take care of your books.

- **Cover your textbooks**
Use paper or cotton fabric book covers. Do not use tape or any other adhesive.
- **Do not write or draw anywhere in your books.**
- **Keep your books in your possession**
Do not let anyone borrow your books and do not switch books with anyone. Never leave a book in a classroom.
- **Keep your books dry**
No food or drink around your books.
- **Put your name in your book**
This is required on the inside front cover.

If your book gets damaged or is lost during the school year, please contact the textbook manager: Karen Locke klocke@linfield.com

AP TEXTBOOKS, NOVELS, CONSUMABLE WORKBOOKS NOT FROM LIBRARY

Consumable workbooks, novels, and AP course textbooks must be purchased.

Workbooks must be purchased in NEW CONDITION only, with no writing inside. AP textbooks can be rented if you prefer. Linfield does not rent textbooks. The rental agreement is between you and the vendor. Please contact Karen Locke to inquire.

The following sites are recommended for purchasing or renting textbooks:

<https://www.ecampus.com/>

<https://www.amazon.com/>

<https://www.barnesandnoble.com/>

<https://www.chegg.com/>

Some publishers allow students to purchase directly. Links to those publishers are listed below next to the specific textbook or workbook.

Search for books by the ISBN (International Standard Book Number)

The ISBN is the only way to confirm that you are buying the correct book. The ISBN is a 10 or 13 digit number, usually on the back cover above the barcode. The 10 and 13 digit numbers identify the same book, so you can use either one. The last digit is the “check digit” that mathematically validates the number. For some texts, the last digit will be an X. Please do not rely on the picture on the cover, or the title. Publishers can use the same picture on textbooks for different states, and you need to be sure you buy California textbooks. Every book has its own ISBN, even though the covers may look the same.
