

What is Lions Academy?

Linfield Christian School recognizes that talents, skills, and abilities are often discernable at very young ages. In order to nurture those giftings, Lions Academy creates opportunities for our elementary students to explore a variety of arts, athletics, and leadership.

Lions Academy offers a variety of classes and activities for students in grades K-5. All classes meet once or twice a week after school from 4 to 10 weeks.

For more information about cost, enrollment, and specific courses, please visit linfield.com

How do I sign up?

ATHLETICS

A growing body of data suggests that Elementary age children are not as physically active as they should be, something that often leads to obesity. Lions Academy provides opportunities for students to exercise, practice, and develop new skills.

THE ARTS

Art and creativity teaches problem-solving, which is a critical skill for success in life. By engaging in artistic activities and study, children develop confidence in their abilities, and they learn how to innovate.

ACADEMIC

Our academic enrichment classes are designed to give students an opportunity to further explore and develop skills and strategies that encourage future real-world success.

LEADERSHIP

Teaching kids invaluable skills in leadership at the Elementary level can have a positive impact for years to come. Learning different leadership techniques can help to develop confidence and accountability.
