

ON-CAMPUS LEARNING GUIDELINES

When transitioning from online distance learning to on-campus learning, there are guidelines to be aware of to help make your child's transition as effortless as possible.

For more information, please contact your campus front office.

- **Morning Drop-Off:**

Our traffic flow in the morning is a **ONE-WAY LOOP (morning only)**. This means that when you enter the front gates, all cars (*except high school student drivers who park all day*) must turn to the right using both lanes.

*The one-way traffic loop is in effect until 8:15AM. For safety purposes, please do not attempt to drive against one-way traffic, even if school traffic is not present.

- **Raptor Health Screenings:**

All on-campus students are required to complete a daily health screening prior to arrival on campus. Each morning you will receive an email from Raptor that will have 5 yes/no questions to answer and submit.

- **Uniforms:**

Uniforms are to be worn every day except Fridays. On Fridays, students may wear jeans and a spirit-wear or college shirt.

- **Lunch:**

JP Foods is providing hot lunch for a minimal fee. While cash is accepted at the Middle School and High School only, we encourage all parents to sign up and pre-order your child's lunch at happyschoolmeals.com.

- **Device Policy:**

Elementary School: Headphones or earbuds only (personal computing devices are not required).

Middle School: Chromebooks only. Headphones or earbuds.

High School: Laptops, iPads, and Chromebooks (laptops preferred), and headphones or earbuds.

- **Masks and Social Distancing:**

All students in grades 3-12 are required to wear a mask while on campus, unless a medical exemption is provided. If your student forgets to bring a mask, one will be provided for them. Social distancing is being practiced throughout the campus and in the classrooms.
